

SUNDAY - MAY 3, 2026

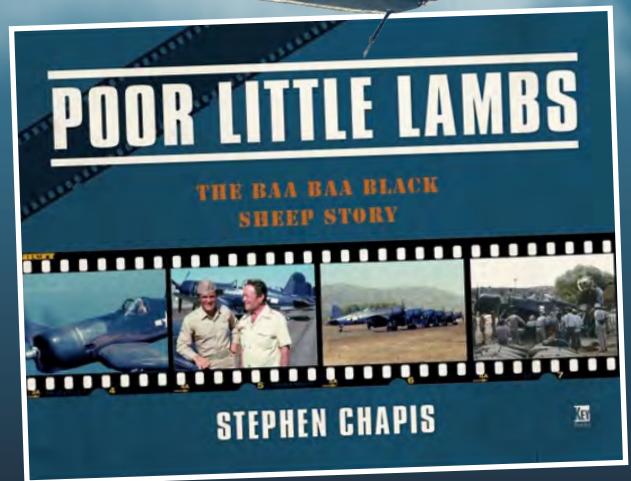

CORSAIR DAY

Lecture Series

Stephen Chapis - 12:00pm
After spending 15 years researching the legendary series: Baa Baa Black Sheep, Stephen will show exclusive pilot shot behind the scenes home movies from this amazing TV show classic almost 50 years later!

Jerry O'Neill - 1:00pm
Witness a comprehensive history on our local FG-1D Corsair (BuNo: 92460) from noted aviation historian & CASC board member Jerry O'Neill!
